Dive traveler profile information

Liquid Diving Adventures collects personal information in the form of a profile when a reservation is made. In addition to personal information, we may also collect dive related data, personal preferences such as seat requests, special meal requests, frequent flyer programs and membership numbers.

If you are purchasing travel for someone other than yourself or for someone who is accompanying you on travel purchased through Liquid Diving Adventures, we may collect personal information about that individual also. Please obtain the consent of other individuals prior to providing Liquid Diving Adventures with their personal information.

The way we use information

We use the information you provide about yourself when placing a travel reservation only to complete your request. We do not share this information with outside parties except to the extent necessary to complete that order.

We use the information you provide about someone else when placing an order only to confirm a reservation and to confirm delivery. We do not share this information with outside parties except to the extent necessary to complete your travel request.

We use return email addresses to answer the email we receive. Such addresses are not used for any other purpose and are not shared with outside parties.

Finally, we never use or share the personally identifiable information provided to us online in ways unrelated to the ones described above without also providing you an opportunity to opt-out or otherwise prohibit such unrelated uses.

Our commitment to data security

To prevent unauthorized access, maintain data accuracy, and ensure the correct use of information, we have put in place appropriate physical, electronic, and managerial procedures to safeguard and secure the information we collect online.

Use of cookies

When you visit Liquid Diving Adventures, we place a "cookie" on your personal computer. A cookie is a small data file that is transmitted between computers to help us recognize you when you return to our website. Any information stored in the cookie is encrypted, so no one can view the data it contains through unauthorized access to your computer. Most Internet browsers automatically accept cookies. You can, however, instruct your browser to stop accepting cookies or to prompt you before accepting a cookie from any site you may visit.

We may also have third-party advertisers on our site. The third-party advertisers are required to perform a rigorous approval process to ensure a secure site structure. No personal information about you is shared unless you give us permission to do so. Third-party advertiser may use anonymous information about your visits to their site in order to provide advertisements about travel-related goods and services in which you may be interested.
